SERVICE MEMORANDUM

NO. SM1605

MEMO TO: All Blue Bird Dealers

SUBJECT: Maximum Oil Drain Intervals for Cummins ISB 6.7

MODEL YEAR(S): 2015 and 2016

Service Memorandum, SM1605, is to clarify the service maximum interval for the engine oil and filter replacement, in all Driver’s Handbooks and Service Manuals for 2015 and 2016 Vision, Forward Engine All American, and TX4 products with Cummins ISB 6.7 Diesel engine.

Under the 12 months or 38,000 miles or 1,500 engine hours listed in the (Care and Maintenance section) the **Replace Engine Oil & Filter/Cummins ISB Engines** should be **marked through** and not used.

Refer to Oil Drain Intervals section for the recommended oil change intervals and Table 1 for oil and filter specifications and maintenance interval.

Every 12 Months or 38,000 Miles or 1500 Engine Hours
